Dear [Friend's Name],

As you may know, I'm a proud Stability Maker at Urban Homeworks, supporting their mission to provide dignified, affordable homes to those in need through a monthly donation. Contributions from Stability Makers have already made a profound impact on families [like Tira's](#), who found stability and became homeowners through this remarkable organization.

Now through the end of June, Urban Homeworks is on a mission to get 25 new Stability Makers giving a collective \$5k annually to help create stability for more families like Tira's.

I thought of you and want to invite you to this incredibly community to help us reach our goal!

By joining as a Stability Maker, you'll have a chance to make a direct and lasting impact on the lives of families facing housing instability. It's an opportunity to give back and create positive change right in our own backyard. Plus, if you join as a Stability Maker through the end of June, we'll BOTH receive some brand-new "Housing is a Human Right" swag.

Here's how it works:

1. Sign up as a Stability Maker at <https://urbanhomeworks.org/25for5/>
2. Make a monthly contribution of any amount that is meaningful to you.
3. Write my name in the comment/referral section in the form
4. Experience the fulfillment of knowing that you are making a tangible difference in the lives of those facing housing instability.

Together, we can create a network of support and make an even greater impact on our community. By joining forces, we'll be part of a movement that believes everyone deserves a place to call home. I invite you to explore Urban Homeworks' website to learn more about their mission and the incredible work they do: <https://www.urbanhomeworks.org>

If you have any questions or need more information, feel free to reach out to me or to Emily Lassiter, Senior Development Officer at Urban Homeworks, by email at EmilyL@urbanhomeworks.org or phone 612-429-0374.

Thank you for considering this opportunity, and I truly hope you'll join me as a fellow Stability Maker. Together, let's make a lasting difference and ensure that housing becomes a human right!
